WRIT PETITION No.22156 OF 2005

–

O R D E R:

The petitioner established a school by name Niveditha Grammar High School at Amberpet, Hyderabad, in the year 1994, duly obtaining permission from the authorities concerned, of the Education Department. It is stated that the school could not function on account of eviction from the leased premises. The petitioner states that he has since secured suitable premises near Uppal Bus Depot, Ranga Reddy District. He made a representation dated 30-09-2005 to the respondents herein seeking permission to establish the school in the said premises. His grievance is that so far, no orders have been passed.

Heard the learned counsel for the petitioner and the learned Government Pleader for School Education.

The school established by the petitioner at Amberpet, in accordance with the relevant provisions of the Andhra Pradesh Education Act, could not be continued on account of the eviction from the premises. The petitioner claims to have secured alternative premises, but at a different place. The question as to whether the said premises are suitable and the petitioner can be accorded permission, particularly, in the light of the fact that the permission was already accorded to him in the year 1994, needs to be considered by the respondents. It would be in the interests of all that the respondents take appropriate decision in the matter, much before the commencement of the next academic year.

Having regard to the facts and circumstances of the case, the writ petition is disposed of directing respondents 1 and 3 to consider and pass appropriate orders on the representation dated 30-09-2005 filed by the petitioner, before 31-12-2005.
